KUDOS

Thank you Teachers for helping to monitor students and parents during the opening of the new Administration office-it was a BIG help. Special thanks to Maya Holland and Aurora Ortega for coming early to school to help set up a safe perimeter for our students. Kudos to Jaime Ceja for helping to roll out the MAP testing and entering of the grades using Illuminate. Thank you to Desiree Ceja for organizing the Recess Assembly for our students and staff. Kudos to Angie Amador and Daisy Alcalá for helping to get the new office ready-I appreciate all your hard work. Thank you Angie for printing out all the necessary forms for Parent Conferences.

CHARACTER WORD OF THE MONTH

Respect

PBIS

Students continue to work hard on earning Paw Bucks. The student store will open on the 21st of November in room 4. This is plenty of time to reward our students for positive behaviors displayed in class, during recess or in the cafeteria. So get your Paw Bucks out and start rewarding our Panther Students.

PARENT CONFERENCES

Parent/Teacher Conferences are just around the corner, November 17-21, 2014. Late night will be Thursday November 20th, 2014.

Quote of the Week

Logic will get you from A to Z; Imagination will get you anywhere. Albert Einstein

DIGITAL LIBRARY

What is the Smarter Balanced Digital Library?

Smarter Balanced believes that measuring student progress toward college and career readiness requires educators to use an assessment system that “balances” summative and interim assessments with the formative assessment process. Staff, please refer to the email that was sent in order to retrieve your login information. Please use the link below <https://www.smarterbalancedlibrary.org> to begin exploring what this amazing site has to offer.

PARENT UNIVERSITY

Thank you to Joe Ayala and Maya Holland for leading our first Parent University. Parents learned how to set up personal emails and were introduced to the District Website.

MONDAY 10	TUESDAY 11	WEDNESDAY 12	THURSDAY 13	FRIDAY 14
*Picture Retakes *SST 3:00pm	*Veteran's Day No School	*ELAC Meeting 8:15am	*AERIES Closes	*Report Cards Verified
