COMMON CORE

A significant body of research links the close reading of complex text—whether the student is a struggling reader or advanced—to significant gains in reading proficiency and finds close reading to be a key component of college and career readiness. (Partnership for Assessment of Readiness for College and Careers, 2011, p. 7)

CLOSE READING

First Read: Get the Gist

- What's the main idea?
- Can you summarize the text?
- What jumps out at you?
- What questions do you have?

Second Read: Dig a Little Deeper

- What text structures and text features were used?
- What is the author's purpose?
- How does the author feel about the subject?
- Why did the author use particular words and phrases?

Third Read: Put it all Together

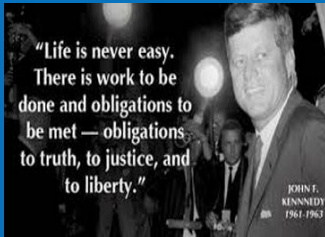

- What inferences can you make?
- How does the author support key points?
- How does this relate to other texts you've read?
- How does this relate to your life?

SEF

The Soledad Education Foundation Carnival is taking food booth applications until 2/27/15. As of today, we have 6 booth openings left. This is an excellent opportunity to fundraise for field trips while at the same time helping to support our students, staff and the wonderful Soledad Community.

PBIS/HIGHLIGHTS/SURVEY

Thank you to Aurora Ortega for organizing our Paw Store for the students. Students take great pride and ownership of their positive actions and it is important that they get the chance to be rewarded for their positive and respectful behaviors. We have just made a purchase for our Paw Store to replenish the prizes and it should be here within the next few weeks.

Thank you to the MOT Department and Boyd's Asphalt for asphaltting around the portables. This will definitely help to keep small animals and fleas from infesting our school grounds. We are truly grateful.

Staff please complete the report card survey no later than Friday, February 20th. This will help to give us valuable information and feedback.
