The more students learn *high utility words* the better they will be able to *comprehend text* that contains those words or similar ones.”

## In the Spotlight

**PBIS** Students have been working hard at explaining what each of the school wide rules mean. Our incentive program has been encouraging students to make the right choice on a daily basis. We have implemented the Cleanest and Quietest Table along with the Quietest Library Class. This month winners will receive popcorn.

Jersey Day

## Highlights

Thank you to Priscilla Thomas for organizing the Mobile Dairy Council to come out to San Vicente. Students were able to get up close and personal with the beautiful cows and were educated on proper nutrition. The Agricultural Commission provides this service free of charge, and we are truly thankful that they visited San Vicente.
