Kudos to Nova Rodriguez for helping to finish our bulletin board in the office, it's beautiful. Thank you to teachers for posting your Academic Learning Wall. Thank you to Susana Plascencia and Angie Amador for creating and printing the Award Certificates. Kudos to Eugene Mosqueda, Aurora Ortega and Maya Holland for your help with the Assembly. Thank you Leadership Team for your dedication and great ideas.

FOCUS OF THE WEEK:

LEARNING OBJECTIVE

In order to ground our students and steer them in the most efficient direction, students should be interacting and engaging with the learning objective prior to beginning a lesson. A **learning objective** is an explicit statement that clearly expresses what the student will be able to do after taking a course. It is an observable and measurable student outcome statement.

The Pumpkin Run was a giant success. Students in grades K through 6th ran their hearts out and competed for a pumpkin. We had over 70 pumpkins ready to hand out. Thank you to Ernesto Felix for getting a generous donation from Braga Ranch. They donated \$150 towards pumpkins. Thank you to Veronica Saccone for getting Borchard Farms to donate huge pumpkins and to Priscilla Thomas for getting Foods Co. to donate \$25 worth of pumpkins and for picking up 30 pumpkins from Foods Co. and CVS.
