KUDOS

Kudos to teachers who met with parents during Parent Conferences— It was a very successful week. Kudos to all of our Instructional Aides, resource teachers and High School Students that helped to translate for parent conferences-you ROCK! Thank you to Nova Rodriguez for organizing our Thanksgiving Feast and to everyone who brought something to share. Kudos to Angie Amador and Susana Plascencia for all that you do and for making sure all necessary handouts and reminders went out to parents. A HUGE thank you to Olga Mares, Aurora Ortega and Mr. Mosqueda for helping to run the Book Fair. This has been the best year in sales yet. Thank you to everyone for helping me set up for our annual Turkey Trot. I could not have done it without all of you. A BIG shout out to Maya Holland for being our PR Specialist. She was instrumental in getting most of the turkeys and monetary donations for our turkey trot.

PBIS

Teach/Reteach: Social Responsibility Skills

1. The Stop Signal

Teach students the school-wide "stop signal" (verbal and physical action) for problem behavior.

2. Walk Away

Sometimes, even when students tell others to "stop", problem behavior will continue. When this happens, students are to "walk away" from the problem behavior.

3. Talk: report problems to an adult

Teach students that even when they use "stop" and they "walk away" from the problem, sometimes students will continue to behave inappropriately toward them. When that happens, students should "talk" to an adult.

SCHOOL WIDE EXPECTATIONS

**BE SAFE
BE RESPECTFUL
BE RESPONSIBLE**
