- Be Respectful
- Be Responsible

KUDOS

Kudos – Teamwork!

- Yesenia Arreola – Our new counselor has been very busy learning her job and reaching out to other school counselors for help. She has embraced PBIS and started piloting CICO this week. We are so proud to have Mrs. Arreola on our campus.
- Sofia Ramirez – Our new family liaison has embraced our school with enthusiasm and wonderful ideas to support our students. Mrs. Ramirez has reached out to our families and has made a positive impact as the liaison for our school and community.
- Gustavo – We are so lucky to have Gustavo on our team! He has such a positive attitude and displays a kind heart every day. He goes above and beyond the call of duty to help with any task that may need to be done.
- Mr. Mosqueda – A true team player. Mr. Mosqueda shows flexibility every day, he steps up to the plate to take care of any need with confidence and competence. We are so fortunate to have him on our team.
- Mr. Ceja – The teachers are so happy about the District Tech Days! Teachers have been very vocal about the tremendous help they received from Mr. Ceja concerning technology in the classroom! Because he is a teacher, he understands the technology component better than anyone. Nothing like having pedagogy that meets technology – thank you Mr. Ceja!
- Compassionate Teachers – thank you to all the staff members who show compassion to those in need.
- PTO – We have an amazingly supportive PTO group! Thank you to all our parents who offered snacks during parent/teacher conferences. We appreciate all the efforts our PTO group puts forth to support
- Mrs. Mares – Fantastic job on our Book Fair! The library looked great, the families were happy, and the students went home with new books! Great job!

IMPORTANT REMINDERS

- Teachers: Lesson Plans are due every Monday by 10:00am morning.
- Staff, please do not forget to show up for your yard duty. If you have a sub please make sure to let the sub know to go out to duty.
- All PLC minutes need to be turned in on Wednesday (if applicable).

STAFF INFORMATION

Open Door Policy

Mrs. Farrer wants you to know that she has an open door policy. If you ever feel the need to discuss anything with her, please stop by for a conversation.

Parent Teacher Conferences

Great job connecting with all parents for parent/teacher conferences! Our staff diligently prepared for conferences and informed all parents about their child's progress.

4th Grade Classes Go To Historical Society

Our 4th grade classes will be going on a walking field trip to the Historical Society on March 30th.

DW Lead Teacher Task Force for Elementary Teachers

The Lead Teacher Task Force for the Elementary Teachers is scheduled for March 22nd in the C&I Building from 1:00-3:45. This meeting will focus on sharing ideas and input for the DW-Focus and PD plan for next year. All San Vicente Lead Teachers have been invited.

NWEA Testing

Our testing window is March 20 – April 7. Testing schedule to come. Please make note that the computer lab will be closed during the NWEA testing window. There will be some open computer slots that teachers can sign up for – look for the sign up sheet in the staff lounge.

2nd Grade has finished the test! The results show that in Literacy overall the students are falling within the “at expectation” range! Good news! For Mathematics, the overall students are also “at expectation” in Numeracy, Operations, and Pattern/Functions. Good job 2nd Grade!

NGSS

Ms. Mosqueda and Mrs. Solorio will be attending the South County Maker Faire Launch Maker Faire Grand Event on April 5, 2017, 3:30-6:00 at Gonzales High School Gym. They will be sharing a 1st grade Stem Scope lesson. All teachers are invited to the event. There will be dinner and a lot of NGSS exhibits.

3K Race

Thank you Ms. Cap and Mrs. Ceja for organizing the Just Run 3K Race scheduled for April 29th a Lovers Point in Monterey.

ELPAC Testing

The ELPAC team will be here next week testing 2nd grade. It takes about one hour to test each student. The testing will be for the whole week

AR Field Trip to Paso Robles Water Park

Based on teacher feedback, the AR Field Trip will be on Saturday, May 27th. We are looking for teacher chaperones. Please let Mrs. Mares and/or Mrs. Farrer know if you would like to chaperone.

Cafeteria News

4th, 5th, and 6th grade teachers - please remind your students about hallway expectations and respecting all San Vicente staff. Also, teachers please let the cafeteria know about all field trip lunch requests 3 weeks in advance. Please give Maritza a head count of the number of lunches needed - and be sure to give yourself enough wiggle room time to pick up the lunches on your way to your field trip.

PBIS

Compassion is our character trait of the month. Please be sure to practice and model compassion with our students.

PARENT CORNER

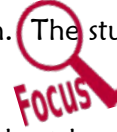

GO PANTHERS!!!!

Parent University was a success; the topic was SBAC. Parents were allowed to take a practice test to learn what their kids are learning. Next week is the last session for strengthening families. The talent show is on May 19th. Encourage your students to be part of the fun.

CURRICULUM AND INSTRUCTION

Mr. Pantoja did an excellent job opening his Mathematics lesson with a learning target and success criteria. He wrapped back to the learning target throughout the whole lesson. The students knew exactly what being successful looked like. Excellent job Mr. Pantoja.

This week instructional focus will continue to be on using learning targets and success criteria for all lessons. John Hattie states we can move student learning by almost two years of instruction if we regularly state our purpose for learning and offering success criteria.

Grade Level Collaboration

San Vicente teachers have been fortunate to have two full days of collaboration time to plan and pace the new ELA/ELD curriculum. Our 5th grade team has completed planning for the rest of the year! There will be even more collaboration time, supported by the Teacher Effectiveness Grant, in March and May.

Weekly Focus Resource on Learning Targets and Success Criteria

Feel free to do some research on the effectiveness of learning targets and success criteria! Here is one new resource you can watch.
