KUDOS

Thank you to Angie Amador for organizing all of the orders of Popcorn from our fundraiser. Students are eager to get these orders to their families. Kudos to Consuelo Mandujano, Pilar Viveros and Jaime Ceja for attending the Science Camp meeting and for supporting our students and parents during this exciting time. A BIG thanks to Esthela Serrano and Aurora Ortega for the numerous home visits that you have both conducted. It is an honor to be working alongside you both. Thank you to Julia Turner for your continued support and dedication in servicing our new teachers. It does not go unnoticed. Congratulations to our SV Girls Volleyball and Coach Alicia Dominguez, they won their first game of the season on Wednesday, March 23. Way to go Panthers!!!

COMMON CORE

Chase Orton will be here on Wednesday, April 5th and on Friday, April 8th. He will focus on student work analysis with the Third Grade Team. This process allows teachers to discuss and analyze student work. It is intended to be applicable across subjects and grades. Analyzing student work gives teachers information about students' understanding of concepts and skills and can help them make instructional decisions for improving student learning.
