KUDOS

A BIG thank you to Kinder, Third and Fifth grade teachers who worked hard to prepare their students for our Spring Performance. The kids did a fantastic job. Kudos to Joey Morales, Ralph Chavez, Maya Holland, Angie Amador, Greg Quitevis, Zeke Zuniga and Jaime Ceja for ensuring that everything was set up perfectly for our Spring Performance at the YMCA. Thank you to Susana Plascencia for creating the wonderful Spring Program pamphlets. Kudos to all of the students and teachers who were involved in the Just Run 3K. We are so proud of all of you. Thank you to Dr. Nolan for teaching our students the art of being a magnificent musician. They sounded great playing the precorders. Kudos to our fabulous Leadership Team for their ideas and positive collaboration.

FOCUS OF THE WEEK: CODING

Check out this fantastic website devoted to coding: <https://code.org/> Coding is telling a computer, app, phone or website what you want it to do. Some educators and experts are calling it the 'new literacy.' Four- and five-year-olds can learn the foundations of coding and computer commands before they can even write and spell words. Learning to code prepares kids for the world we live in today. -Erik Missio

Minecraft Hour of Code

Use blocks of code to take Steve or Alex on an adventure through this Minecraft world. (Ages 6-106)

PARENT CORNER/PBIS/HIGHLIGHTS

Parent Corner

Tri Tip BBQ tickets have been handed out. They are selling for \$8.00. All money is due May 5th, 2016. The BBQ will take place on Saturday May 14, 2016 at the San Vicente School Parking Lot. For more information please stop by room 1. Our next School Site Council Meeting will be this Thursday at 4:00pm in the Staff Lounge.

PBIS

Teachers please post up your school expectation poster up in a visual area in your room. Have students follow along and point to each expectation as they read it to the class. Go over playground rules before they head to recess and have students tell you how they should behave in the cafeteria. Consistency is the key.
