KUDOS

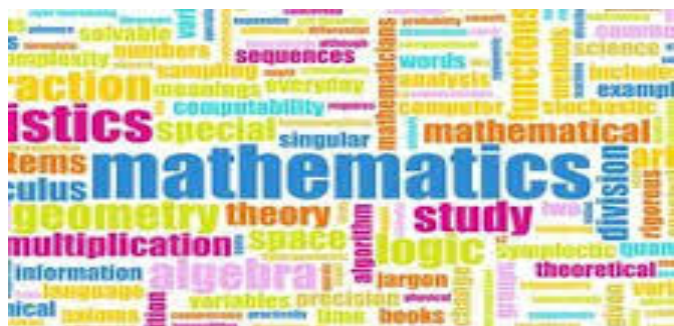

A tremendous thank you to Priscilla Thomas, Pilar Viveros, Jaime Ceja and to our parent chaperones who accompanied our deserving 6th graders to Science Camp. Kudos to Angie Amador and Susana Plascencia for everything that you both do for our school. Thank you to all the staff who made Angie and Susana feel appreciated. Thank you to Chef Maya Holland for your delicious food-we all broke our diet. A big thank you to Ryan Nill for coordinating the trip to the Special Olympics and to Mr. Notheis and his students for their perseverance and dedication. They looked great out there.

FOCUS OF THE WEEK:

Executive Summary for the Mathematics Framework.

The mathematical standards are based on three major principles: focus, coherence, and rigor. These are the foundations for effective curricula and instruction. These principles are the basis of how students acquire conceptual understanding, procedural skill and fluency, and the ability to apply mathematics to solve problems. Check out more using the link below. We will be discussing these at one of our staff meetings.

PARENT CORNER/PBIS/HIGHLIGHTS

Parent Corner

Thank you to Mr. and Mrs. Armando Alonzo, for their generous donation to room nine special education class for the Monterey County Special Olympics. This is the second year that Mr. Alonzo has partnered with Walgreens to donate an extensive amount of supplies for both field trips and for the classroom.

PBIS

Our PBIS committee has completed our first PBIS handbook. This handbook features school wide lesson plans as well as lesson plans for areas such as the cafeteria, playground, bathroom and many more. We are excited to share this special handbook with you once all dates are finalized. Thank you to the PBIS committee for all your hard work in making this happen. Please remind your students to use up all their Paw Bucks by May 10, our final Paw Store of the year.

HIGHLIGHTS: Just Run 3k/Science Camp/Admin Professionals Week/Special Olympics

STAFF APPRECIATION

This week we will celebrate every one of you for all the hard work you do every day for our students here at San Vicente.

THANK YOU!
