KUDOS

Thank you to the best staff that a principal and coordinator could ask for. Maya and I are truly honored to serve you. We hope all of you enjoyed your special week. Thank you to Maya Holland for helping me decorate, cook and making our staff feel appreciated. Kudos to Beatriz Mosqueda for presenting on various technology apps during our staff meeting. A HUGE thank you to all the staff, students, board member Josie Aguilera and parents that came out to enjoy our Cinco de Mayo Literacy and Art Fair. We had beautiful and creative art projects, wonderful activities and amazing performances. Thank you to everyone who made this event possible.

PARENT CORNER/PBIS

Parent Corner

Thank you to our wonderful PTO and to Folklorico parents for making all of our staff here at San Vicente feel appreciated. Our staff enjoyed the delicious lunches that you provided. I am fortunate to have such dedicated and thoughtful parents.

PBIS

Thank you to the PBIS committee for working so hard. I look forward to sharing with other local schools from Monterey County at the Symposium on May 10th. Teachers please remember to go over the school wide lesson plans on cooperation with your students. In order to change the mindset of the student it is imperative that you discuss "cooperation" and what that entails. The lessons provide a variety of scenarios, book lists and team building activities. I look forward to seeing how you incorporate our character trait of the month.
