KUDOS

Panthers-

We're on the prowl! Second week in and we are on our way to have a great start to the school year. Michelle and I have observed several classes already and we have seen very good instruction. Today, I want to highlight the amazing work of several classified staff. There's no doubt we have one of the finest Classified units in the County. Our instructional aides are doing a fantastic job in the classroom. Our yard supervisors work relentlessly to keep our kids safe-have you seen Claudia work that crosswalk? Maria, our morning Custodian, she is here when it is still dark, ensuring our campus is ready for you and your students. Before our yard supervisors arrive, she's the one that's making sure our campus is secure. Thank you Maria!

I've been at most district sites by now and I can honestly say we have a Kobe-Shaq type dynamic office due with Susy and Angie. I have other staff to thank for a wonderful start to the year but not enough space on this bulletin-stay tuned for more certificated and classified kudos next week

Our main priority at San Vicente is student learning. Next week we will welcome Chase Orton, our Math Consultant, on campus to work with grade level teams. As a county and district, data shows that our students struggle with Math. We look forward to working with Mr. Orton to discuss best math practices to support our math scholars

Have a wonderful weekend and thank you for all of your hard work. Go Panthers!

IMPORTANT REMINDERS

- Lesson Plans are due before 10:00am every Monday morning.

San Vicente School will be having Back to School Night on Wednesday September 7th at 6:00pm. We hope to see everyone here to meet the great staff.

PBIS

We are off to a great start with PBIS! Our Kick-Off training lessons, our PBIS Assembly, and Paw Panther have been a huge success. Thank you to all who have been passing out Paw Bucks. You are encouraged to continue to pass out Paws Bucks when you see good behavior.

Our first Fun Friday is this Friday (9/2/16). This is a friendly reminder to all. There is NO LAST RECESS on Friday. For this first Fun Friday, we will not be teaching Character Development. We want all students to experience how wonderful the Fun Friday is. Character Development will start next month.

CURRICULUM AND INSTRUCTION

It is a pleasure to see the amazing instruction taking place on the San Vicente School campus. A helpful tool for student success is a visual lesson objective. Learning objectives can be written in the "I can" mode, or also in the "Students will be able to" mode.

What is a Content Objective?

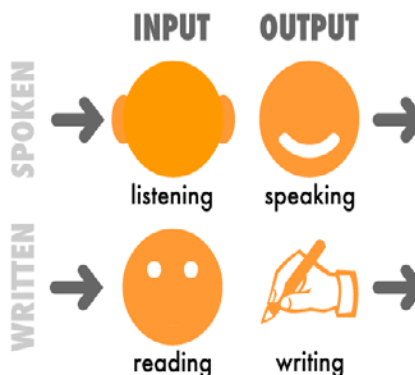

A Content Objective identifies what students should know and be able to do at the end of the lesson and leads to assessment. It is linked to engaging activities and to the learning outcomes.

What is a Language Objective?

A Language Objective is a process-oriented statement (action verbs) of how students will use English with the content.

Language is...

- Listening
- Speaking
- Reading
- Writing

Because of our high EL population, a written learning objective with some language skills embedded is best. Below are some links to examples of language objectives in action.
