KUDOS

A big round of applause to Mr. Mosqueda for your flexibility as well as all of your assistance during the SBAC process. Thank you to Mr. Ceja for all your technical assistance with the Ipads. Kudos to Maya Holland, Alicia Dominguez and Josie Hernandez for all your help with redirecting students in making positive choices. Kudos to Aurora Ortega for setting up the PAW Store. A HUGE thank you to all of the parents that chaperoned students during the various Field Trips

COMMON CORE

Seven instructional strategies for the Common Core

By Judith Coffey

- Understand the expected student outcome for each standard. Unpack the standard to determine the skills that students must master in order to achieve expected learning outcomes.
- Differentiate instruction. Personalize learning experiences for all students—not just those who perform above the expected learning outcome—but also provide intervention or remediation for underperforming students.
- Break down lessons into manageable concepts, and provide multiple teach/model/practice opportunities for different kinds of learners.
- Support grade-level reading of complex texts by providing students with appropriate reading materials, including vocabulary instruction that applies the Three Tiers of Words: (1) common words, (2) high-frequency words, and (3) domain-specific words.
- Demonstrate all forms of writing with students, and provide detailed explanations so they understand different writing forms. Educators should model the writing process on a daily basis in the classroom.
- Reinforce conceptual understanding of key ideas in math instruction, and require students to justify why an answer is correct.
- Infuse instruction with cross-curricular concepts to embed key ideas, and take advantage of repeated opportunities to integrate, apply, and synthesize standards.

Literacy Night/Art Fair

Literacy Night/Art Fair will be taking place on May 20th from 5:00pm-7:00pm. Prepare to see “Out of this World” projects and read-alouds.

AmeriCorps

San Vicente welcomed Ginny Brown and Esther Rubio, Special Projects Coordinators for MCOE, observed firsthand the wonderful work that our AmeriCorps tutor, Beatriz Mosqueda has been doing. They commented on her calm and patient demeanor as well as her excellent rapport with students.

Salinas Valley Fair

Thank you to Board of Trustee Mr. Barrera for taking a picture with two of our San Vicente Preschool students during the Salina Valley Fair. We appreciate all you do.

Thank you!

Thank you to Dr. Boyd and Mr. Guzman for visiting the San Vicente students. The students were very excited and especially loved when Mr. Guzman made a basket during recess. Check out the action shots below!
