KUDOS

Congratulations to the entire San Vicente Staff. Each and every one of you played an important role and came together to make sure that our school was up and running for the first day. I am so honored to lead a school filled with passionate and determined individuals. Thank you all for your support in helping our students have a successful and productive week. A big round of applause to Maria, Joey and Ralph. They worked very hard this summer and it shows-the school looks amazing. Kudos to Angie Amador and Susana Plascencia for all your hard work with registration, supplies and keeping our office in order. Kudos to Eugene Mosqueda for allowing us to have our first staff meeting in his classroom. Thank you to Maya for your amazing leadership and for leading the CELDT team. Once again, thank you all for a wonderful first week of school. Now on to week 2.

COMMON CORE

1. Reading and Writing Grounded in Evidence

The Common Core State Standards emphasize using evidence from texts to present careful analyses, well-defended claims, and clear information. Rather than asking students to respond to questions they can answer solely from prior knowledge or experience, the standards prioritize questions that require students to read texts with care. Quality text-based questions, unlike low-level search and find questions require close reading and deep understanding of the text. (Common Core: Now What? Making the Shifts)

Please remember to have students recite our 3 School Rules Daily: Be Safe, Be Responsible, Be Respectful. Make sure students can also provide an example of each rule and what it means to them. We will be having an assembly to kick off the new school year as well as go over our school wide rules on Tuesday, September 1st. I will place the times in your boxes.
