"All means all"

Dear San Vicente Families,

As you're newly appointed Principal, I am excited to announce that August 12, 2020 begins a brand new school year for all of us! I would like to welcome back our students and families from last year, and I would also like to extend a warm welcome to our new students and their families.

As you are already aware, the COVID-19 pandemic has posed challenges for everyone. Please rest assured that it is my first and foremost priority to ensure the health and safety of our students and staff as we continue to navigate through this pandemic. I would like to encourage you to remain in close contact with your child's teacher(s). Please be sure to monitor your child's learning and do not hesitate to reach out to our staff for assistance. As sages have stated, "It takes a village to raise a child." Working together as a team, assures the success for your children. There will be multiple opportunities throughout the year for you, the parents, to get involved in our school and your child's education. We encourage you to join our ELAC meetings, our School Site Council meetings and our PTO.

In the upcoming weeks, we will be sending out specific information regarding what the beginning of the 2020-2021 school year will look like. I can tell you that everyone across our district is working hard to plan for a successful school year. I know we will continue to work together to ensure the absolute best for all of our students in the upcoming school year.

I would like to encourage all of our families to complete and return their registration packets as soon as possible. Now more than ever, it is essential that we have multiple ways to communicate with all of our families. Completing the packets helps to ensure that you receive up-to-date communication from the school and school district in a timely manner.

It is an honor to be of service as the Principal of San Vicente Elementary School. I look forward to an outstanding school year.

Panther Proud,

Dr. Gaige Bailey
